CAMBRIDGE ESOL COMMON LANGUAGE FRAMEWORK

Introduction

The Cambridge ESOL Common Language Framework is a set of descriptors for English language ability. It is based on the Council of Europe Common European Framework and covers the six levels from Beginner to Proficiency. The Framework is used by Cambridge ESOL to describe the language ability required for its examinations and to describe the language ability of its candidates.

The Cambridge ESOL Common Language Framework is a tool for teachers, students, examination users and others who need to understand the language ability required for Cambridge ESOL examinations and the language ability of Cambridge ESOL candidates.
